Assessment Technologies Worksheet

Use this handout and the descriptions/samples of technologies on the [session wiki](#).   Use the following matrix to identify which tool(s) can be used to facilitate the different types of assessment listed. Place a mark in each appropriate cell. Work with a partner or in a group of 3 to complete this activity - ask each other questions and use each others' expertise to complete the worksheet.

	Wiki tools	Blog tools	Website Development	Digital Storytelling	Mind Mapping	Screencasting	Rubric-creation tools	Polling/Survey tools	Presentation tools	SoftChalk LessonBuilder	Alternative Search Engines	Google Docs	Social Networks	Bb Tools
