

## HOW TO POST A "TWEET" IN TWITTER

1. Go to <http://twitter.com> and log in to your new account. You will see your Twitter "Home" page, with a large box at the top that asks, "What are you doing?"

What are you doing? 140

|

**Latest:** Oddly enough, making handouts on how to use Twitter. less than 5 seconds ago

**update**

**mjm\_foodie** Oddly enough, making handouts on how to use

2. Enter your response to this query, but keep it to 140 characters or less (Twitter will let you know if you've exceeded the maximum character count)! Click the "update" button . . .

What are you doing? 12

I am in the Computer Lab w/Linda, waiting for the thundering hordes to come and ask us questions. So far only crickets chirping.

**Latest:** Oddly enough, making handouts on how to use Twitter. less than 5 seconds ago

**Here's my post -- and I have 12 characters to spare (max is 140 chars)!**

**update**

**Now click "Update".**
