

# SIGN UP FOR A POLLEVERYWHERE ACCOUNT

1. Go to <http://polleverywhere.com>. Click the “Signup” link in the upper right corner of the screen.

2. Under “Free Plan Signup,” complete the registration information (be sure to check the “I am an educator” box for extra features):

**Free Plan Signup**  
This is your last stop before you're creating polls.

**Full name**  
Dr McGlasson

**Email**  
mary.mcglasson@cgcc.edu

**Password**  
●●●●●●

I am an educator  
We'll turn on education features. ([Like what?](#))

I am a K-12 educator  
 I am an educator  
 I am a Higher Education educator

**Instant setup**  
In about 30 seconds you'll be creating text message and web enabled polls.

**Everything you need**  
No additional hardware, setup, or contracts required. We did all of the grunt-work for you; everything works through the web.

**Captivate your audience**  
Create amazing presentations by showing your polls right in PowerPoint.

**Global reach**

For example: Grading, student management, and collections of good polls for educators. We're adding more all the time.

3. Once you have completed the form, check the “I agree to the Terms of Service” box, then click “Sign up for my Poll Everywhere account.”
